 Other

**We are often asked for stories to go into the press to promote organ donation, would you be interested in sharing your story with the press? If so, we will contact you when we receive a request for information. \***

Yes  No

**We are a charity supported almost entirely by volunteers with 3 part time members of staff. We are always open to offers of help from our members. As well as donations of time we need individuals who have contacts in the business world eg. printing, media, marketing, communications, fundraising. If you are able to help, please indicate below:\***

Yes I can help - I have connections / skills / experiences in the following. (please specify below)

**Ethnicity monitoring \***

5. Once you have entered your medical data, you should tick the Patient Confirmation box. If you are under 18 your parent or guardian should click the Parental Confirmation button for you.

*\*If you are under 18 years old at the time of the British Transplant Games.*

#### ELECTRONIC SIGNATURES

The screenshot shows a form titled "ELECTRONIC SIGNATURES" with three sections: "Consultant", "Patient", and "Parental confirmation". Each section has a checkbox and a label "Please tick to confirm the information in this form is correct". The "Patient" and "Parental confirmation" checkboxes are checked.

| Role                  | Confirmation Status  |
|-----------------------|--|
| Consultant            | <input type="checkbox"/> Please tick to confirm the information in this form is correct            |
| Patient               | <input checked="" type="checkbox"/> Please tick to confirm the information in this form is correct |
| Parental confirmation | <input checked="" type="checkbox"/> Member is under 18   |

6. If you have submitted your form correctly you should see a green banner with the message "Submission Successful". This confirms your details have been entered correctly and are awaiting the Leeds Medical Team to sign off.
